

Name: Jennifer Nelson
Title: Accounting Tech
Location: Administrative Division, Fiscal Operations
Time with MDT: 3 years

Tell us about yourself...

I am originally from Miles City. I moved to Helena with my family when I was a sophomore in High School. I'm currently attending college to get my degree in Business/Accounting. I will have my Associates Degree in spring of 2009! You can say that I'm sort of the 3rd generation of my family to work at MDT. My grandfather worked for MDT in Miles City and retired in the 1980's, and my father is a current MDT employee.

A typical day includes...

I work with accounts payable, I process a large majority of claims, research payments and various other requests and any other accounting issues that may come up.

Qualities needed to do this job include...

You need to have good organization skills, social skills along with the ability to meet deadlines and pay attention to details.

My favorite things about working at MDT and why I stay here include...

The people at MDT are very nice which makes coming to work easier. I started with MDT right out of high school and hope to make my career here. There are so many opportunities that a person has when working for MDT it's a great place to advance in one's career.
